

## Annual Report

"The purpose of education is to make good human beings with skills and expertise, enlightened human beings can be created by teachers"

We at MPWS practice the philosophy of continuous improvement and strive to get a little better every single day.

Esteemed chief guest prof. VK GOYAL honorable secretary, Chhattisgarh Board of Sec. Education & Secretary C.G. staff open school. Our chairman Mr. Sabino dsouza, Vice-chairman Mr. Ramkumar Arya, Secretary Mr. Sylvester dsouza joint secretary Mr. Shyamkumar Arya, distinguished guests parents and dear friends.

I with the blessings of almighty God take this opportunity to convey my warmest greeting to you and welcome you all to our annual day DIA DE LA CULTURA today. We prideens feel greatly honored by your presence it is a matter of great pride and honor to present the first annual report of our school but before I do that allow me to brief you about the foundation of our first branch (vidya nagar) that was laid in 2020 and the second branch in Chakarbhata in 2022. It all started by analyzing, recognizing, visualizing, mobilizing and energizing our potential to achieve the success.

To bring about a change and help children tred in the path hithertho untrodden.

I feel elated to unfold before you our annual report which is a humble and modest flight of our young prideens. It reveals their wondrous talent before you.

The students today are a reservoir of talent, flair, aptitude, proficiency and competency. Needless to say that this reservoir needs to be channelized in the right direction and that is possible only by teachers.

Teachers play a pivotal role in shaping and nurturing the young minds. Our institution has a strong team of well trained teachers and supporting staff. They are not only big in number but are big in their potential, dedication and hardwork. So to keep them updated and to enhance their

teaching and learning techniques many workshops and orientation programs were held like workshop for mathematics teachers conducted source person Mrs. Aditi Singhal, orientation programs were conducted by astragen and chrysalis.

We firmly believe that positive communication between parents and teachers goes a long way in improving the efficiency of education. We ensure active participation of parents in the teaching learning process. Therefore, PTMS are held every month to discuss their studies, health and performance. Apart from these a workshop for parent was conducted resource person Aditi Singhal on Parenting.

As we all know every child born into this world can be compared to a seed, containing all potentials necessary to grow to its fullness. These potential can be realized by the child only if we provide conducive environment and give proper direction to facilitate these growth. Our institution since its inception is doing commendable work in the field of education and our students have proved themselves not only in academics but in every field.

So let's begin with, Silver zone Olympiad exam in which our students not only actively participated but also came out with flying colours and earned good name for institution by winning a whopping 52 medallions with 23 gold medallions 17, silver medallions 12 bronze medallions. A sparkling gem in our school Soham Basu of class 2 secured first position class, International rank 78 regional rank 72 in English Olympiad and our little stars Enrico Dsouza of LKG, Angel Agrawal of UKG-A did wonder by securing first position and winning Gold medallion in all the three subjects English Maths and EVS. There are many stars to add to the list, a galaxy full of shining stars ,lets have a look at them on screen and give a big round of applause to them.

The significance of sports can never be undermined in school curriculum. Our student Harshad Roopwani of class 8 brought laurels to school by representing Bilaspur district at state level. Sports events were organized by the school in which participants were vibrant and energetic. The annual sports day, a gala event held in December in which students competed in four various houses. Sports not only disciplines but also promotes

teamwork. Apart from Inter School Competition, Our children performed equally well in Intra school competitions which were conducted housewise for higher section and classwise for primary and pre primary sections. Accolades to them for their hardwork.

Science has a huge role in our day to day life from small things to the big things without us even realizing it. Science has stepped up the tempo of life. It encourages children to study the scientific methods, fostering curiosity and promoting science education. Yes you all have guessed it right, our prideens leave no stone unturned and to satisfy the scientific temperament, they task part in science project fair organized by Nav Bharat press at CMD college and brought laurels to school by their active participation. School even organized science exhibition on intra school. Students won everyone's heart by coming up with innovative and exceptional projects. Kudos to all of them.

"Every child comes with a message that god still loves the world and so we elders should take up the responsibility by instilling good values and discipline and confidence to speak & develop oratory skill. We at Mother' pride world school specially take care of these aspects. Our prideens showcased their mettle by presenting songs, poems, stories that was aired by Akashwani.

Our co-curricular-activities are designed to develop our students to be dynamic, future ready individuals who not only live upto the school values of respect for self and others, integrity, passion for learning but also have the competency and capacity to excel. We conducted various activities entire year under our school themes with maximum participation of our students.

Apart from providing the tiny tots with academic help, the school motivates the students to display their talents and enhance their skills in various activities the different activities like fancy dress, show and tell Rakhi Making, Thali Decoration, Yoga Day, Vanmahotsav Day, Independence Day, Apart from these important days lets Grandparent Day, Teachers Day & Republic Day etc. Our school celebrates and observes all the special days celebrated in India.

Every class and house are provided with a bulletin board to stimulate students thinking skills as well as capture their work and ideas the competitions are held every month on various topics and the house with best bulletin board is awarded.

Class wise competitions and inter class quiz competitions are conducted in our school to encourage students to look beyond their textual knowledge and help build the student's soft skills.

"read a thousand books and your words will flow like a river"

To develop reading habits and vocabulary a class library is functioning in every class. Our school has a rich literary that is a repository of information & every students equal access.

Debate on contemporary social issues are held house wise to generate effective critical and analytical thinking with problem solving capabilities and allow the students to inspect and scrutinize the subject matter.

The commitment of this institution to society is remarkable through "Joy of sharing". Our Kuddos do not hesitate to share their toys, chocolate and clothes with joy. Sharing brings with it inherent joy and happiness within us and also to the person with whom we have shared. To share is to spread joy.

It is well said that keeping your body healthy is an expression of gratitude to the cosmos- the trees, the clouds and everything. Dental checkup was conducted by Triveni college for the students that made them aware of oral hygiene checkup was organized by school in which the famous pediatrician Dr. Rajiv Shivhare gave his precious time for general checkup that proved really fruitful.

The list is endless but parents support and cooperation. It has been instrumental in our journey. Your belief in us has helped us achieve our goals and set new benchmarks. We value your trust and assure you that we will continue to strive for excellence in education.

We, prideens, while basking in the glory of our success do not sit on our achieved laurels but tirelessly work to touch the zenith. I would like to quote lines of a poem by Robert frost

"The woods are lovely, dark and deep,  
But I have promises to keep,  
And miles to go before I sleep  
And miles to go before I sleep"

On this joyous occasion of our first annual day celebration, we assure you of our continued commitment to the cause of education and invoke the blessings of the almighty to enable us to continue the tradition of excellence in all our pursuits. I once again thank all the guests and parents for being with us this evening.

Thank you all

God Bless You.
