

MOTHER'S PRIDE WORLD SCHOOL

ANNUAL REPORT – 2026–27

Brief Report for School Website / CBSE Public Disclosure

1. Principal's Message

Mother's Pride World School is committed to providing holistic, child-centred and value-based education. During the academic session 2025–26, the school provided students with opportunities to excel in academics, sports, science, culture, leadership, health and environmental awareness. The following highlights present the major activities and achievements of the school during the session.

2. Astronomy and Scientific Exploration

For the first time in Chhattisgarh, the school organised a Star Gazing and Astronomical Exploration Programme on 22nd and 23rd March. The programme was conducted on the school campus and introduced students to practical astronomy and scientific observation. The event was guided by renowned scientists and resource persons, including Mr. Amritanshu Bajpayee (Saprihi India, IASC, Powered by NASA) & Mr. Mukesh (Scientist, MP COAST). The programme encouraged curiosity, scientific thinking and experiential STEM learning.

3. Sports Achievement – Qwan Ki Do

Krishna Kumar, a student of Class VI, participated in the CG State Qwan Ki Do Championship held at Gandhi Stadium, Indore, on 29th and 30th November. He secured a Silver Medal and was selected to participate in the national-level event scheduled in Jammu. He was selected to represent India in World Championship 2026 held in ROMANIA on 22–24th May 2026. His achievement reflects the school's emphasis on discipline, teamwork, perseverance and sportsmanship.

4. CBSE Workshop and Teacher Development

A CBSE workshop was conducted in the school on 27th and 28th April. The programme supported continuous professional development of teachers and strengthened their understanding of contemporary teaching-learning practices and CBSE expectations.

5. Annual Function

The Annual Function was organised in December 2025 with the Honourable MLA as the Chief Guest. Students presented cultural and creative performances demonstrating confidence, discipline, teamwork and talent. The programme provided an important platform for students to express themselves and celebrate the achievements of the school community.

6. Summer Camp

A Summer Camp was organised from 10th March to 20th March 2025. The camp provided students with opportunities for joyful, activity-based and experiential learning. The activities encouraged creativity, communication, teamwork, practical skills and participation beyond the regular classroom.

7. Olympiad Achievements

Students of Mother's Pride World School participated in Olympiad examinations and achieved 23 Gold Medals, 17 Silver Medals and 12 Bronze Medals. These achievements reflect students' interest in competitive learning and the combined efforts of students, teachers and parents.

8. Student Leadership – Investiture Ceremony

The school conducted its Investiture Ceremony on 17th August. The ceremony formally entrusted student leaders with responsibilities and promoted leadership, discipline, service, accountability and teamwork. The student leadership programme aims to develop confidence and responsible citizenship among learners.

9. International Dance Participation

A UKG student participated in an International Dance Contest and Festival held in Goa from 1st to 4th June. Such exposure provides students with opportunities to develop confidence, cultural awareness, creativity and performance skills at a wider platform.

10. Environmental Awareness – Van Mahotsav

Van Mahotsav was conducted in the school to promote awareness about trees, biodiversity and environmental responsibility. Students were encouraged to understand the importance of conservation and to adopt environmentally responsible practices in daily life.

11. Dental and Health Check-up Camp

A Dental and Health Check-up Camp was organised for students and teachers. The programme promoted preventive healthcare, oral hygiene and general health awareness, reinforcing the school's commitment to student and staff well-being.

12. Annual PSY Examinations / Assessments

The school conducts PSY examinations/assessments every year as part of its academic and student-development practices. These assessments provide additional opportunities to monitor learning progress and identify areas requiring academic support.

13. Holistic Development

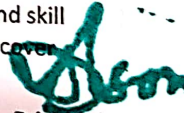

The school believes that education extends beyond academic achievement. Through academics, sports, science, cultural programmes, leadership activities, health initiatives and environmental programmes, Mother's Pride World School strives to develop confident, responsible, creative and well-rounded learners.

14. Acknowledgement

The school expresses sincere gratitude to the management, teachers, staff, parents, resource persons, coaches and students for their continued cooperation and contribution. The achievements of the session have been made possible through collective effort and a shared commitment to the development of every child.

15. Looking Ahead

Mother's Pride World School will continue to strengthen academic excellence, experiential learning, STEM education, sports, cultural exposure, student leadership, health and wellness, environmental awareness and skill development. The school remains committed to creating meaningful opportunities for every learner to discover potential and grow with confidence.
